

**Dear Members**

We are pleased to invite you to join the first Roundtable by EUREL on  
**Shortage of Electrical, Electronic, Informatic Engineers – New Horizons for younger generations**

**Thursday | April 27, 2023 | 3:30 – 5:00 pm (European Time)**

**Via Teams**

**Let's discuss together the reasons of the shortage, ways to change the image of our professions and how to increase the attractiveness in this field, with young and senior engineers from all EUREL members.**
